WAKE IS LEADING IN SALES OF BONDS

By the Associated Press.

Raleigh, April 17.—Tuesday's reports Wake county forges to the front in the Liberty Loan campaign in the state. Up to that time Forsyth county had held the lead, but the total subscriptions reported to Chairman Joseph G. Brown showed a total from Wake of \$583,000 and from Forsyth county \$569,600. The next nearest competitor for this honor is Mecklenburg with subscriptions amounting to \$393,600. The last named county did not begin its campaign until this week. The total to date from the entire state is \$4,749,300.

Dr. Riggs of Morganton will be at Henkel's stables Friday and Saturday of this week for the purpose of operating on male colts. 4 17 21

MORTGAGEE'S SALE OF VALUABLE REAL ESTATE

Under and by virtue of the power and authority vested in the undersigned mortgagee by those two certain mortgage deeds executed by Dr. K. A. Price and Ressye Price, his wife, to A. F. Lever, the first dated December 7th, 1912, and recorded in the office of the Register of Deeds for Catawba county in book 101, page 573, the second dated June 30th, 1915, and recorded in the office aforesaid, in book 118, page 503, to which reference is hereby made, default having been made in complying with the terms and conditions in said two mortgage deeds contained, I will sell at public auction, for cash, in front of the First National Bank of Hickory, in the city of Hickory, Catawba county, N. C., at 12 o'clock noon, on Saturday, the 18th day of May, 1918, the following described tract of land, to wit:

Situate near the center of the city of Hickory on the north side of Eleventh avenue, adjoining the Baptist parsonage property, Dr. J. H. Moore and others. Beginning at a stake in the northern margin of said avenue, which was formerly Atwood street, at the southeast corner of the old Clinard lot which is now the Baptist parsonage property, and runs North with the old Clinard line 200 feet to a stake; thence east 100 feet to the old Samuel Tate line, which is now the property of Dr. J. H. Moore; thence south with said line 200 feet to Eleventh avenue; thence west with the northern margin of said avenue 100 feet to the beginning. Being what is commonly known as the old Presbyterian manse property.

This sale will be made in conjunction with a sale to be had on said date by G. R. Wooten, trustee for the First Building and Loan Association.

This the 16th day of April, 1918. 4 17 41 Wed A. F. LEVER, Mortgagee.

PRESIDENT'S WIDOW IN WAR WORK

Mrs. Thos. J. Preston, Jr. (Formerly Mrs. Grover Cleveland) Active Secretary of Security League Committee.

Mrs. Thomas J. Preston, Jr. (formerly Mrs. Grover Cleveland), who was recently elected a member of the Executive Committee of the National Security League, the first woman to be so honored, has joined the executive staff of the league as secretary of the Committee on Patriotism Through Education, through which the league is promoting a campaign throughout the country to awaken the people to a realization of the true

MRS. THOMAS J. PRESTON, JR.

meanings of the war and the necessity for its efficient and aggressive prosecution.

Mrs. Preston is at her desk in the new offices of the Security League, 19 West Forty-fourth street, New York city, daily, conducting the voluminous correspondence connected with the work of her committee, which now extends into every state in the Union.

In accepting the secretaryship, Mrs. Preston wrote Dr. Robert M. McElroy: "I am happy in accepting this opportunity to work with the league. I can think of no way in which I could more surely contribute my share to the present needs of our country than by joining in the very important work which your bureau has undertaken."

JUNGLE LAW.

(Contributed by ROBERT HER- RICK to the National Security League's campaign of Patriotism Through Education.)

Returning from Europe, cursed with war, I was more convinced than of anything else in life that what is being slowly settled in that grim trench land over there DOES mean something to us—more, oh, so much more, than money or legal rights or sympathy for bleeding humanity. Not that I am especially apprehensive of a raid on these United States, the crumbling of our skyscrapers, with the exaction of colossal indemnities. That, too, of course, might happen if German arms were triumphant, if the pax Germanica were imposed upon a beaten world.

But that is not to me the worst. To me the German peril does not lie so much in her big guns, her submarines, her "Prussianized war machine." It lies in herself, in her image of the world. If Germany could win even a partial victory under her monstrous creed of applied materialism, illuminated as it has been by every sort of cynical crime, with its reasoned defiance of contract, its principle of "indispensable severities," its military logic, etc., THAT must become the moral law of all the world—the jungle law! In order to survive we must all accept this law of the jungle. And of all the prostrate peoples of the world forced to accept the victor's new version of the ancient commandments proud America would be the first. We cannot resist the fascination of success. So the German ideal, the German tyranny over the individual, the German morality—one rule for you and me as individuals and another utterly irresponsible rule when we get together as a state—would be imitated by us more than the German thoroughness in civil and military organization.

Robert Thirick

NATIONAL MOVE FOR PHYSICAL REGENERATION

Started by National Security League Through Committee Headed by Walter Camp.

Impressed by the fact that 29 per cent. of the young men called to the colors in the draft are being rejected for physical disability, the National Security League has started a nationwide movement to promote the physical welfare of the youth of the land through the organization by communities of branches of a Committee on Physical Reserve, of which Walter Camp, veteran trainer of athletes, is chairman. In answer to a letter sent by the league to the mayors of all the cities in the country of over 5,000 population asking them to appoint committees to co-operate with Mr. Camp, 200 committees in 30 states have already been appointed to carry out the idea. Associated with Mr. Camp on the Committee on Physical Reserve are William G. Anderson, member of the Advisory Committee of Yale University Gymnasium, and Joseph E. Raycroft, member of the War and Navy Departments Commission on Training Camp Activities.

"Economic Disaster." In discussing this new effort of the Security League, S. Stanwood Menken, president of the league, said:

"The National Security League has taken up this work because the country cannot afford without serious economic disaster to lose the benefit of the service of nearly one-third of the men who are drafted for military duty because of physical unfitness and whose places must be taken by those who have dependents. The draft figures show that 29 per cent. of the men are physically unfit. The work is necessary, as, with the strain upon American brain, it is essential that public attention be focussed upon the need of paying also due regard to physical safety. The efficiency of the human engine and the ability of the man-power of the nation to withstand attrition, and the extra work that the men who are doing things have to bear at present, makes it important that these men should recognize the part that physical exercise plays in their ability to bear their full load of work."

Life Worth \$11,000. "Furthermore, with the difficulty in supplying a full quota of labor for industries, it is necessary that the man-power of the nation should be increased by the maximum measure of physical strength. Every individual has a direct interest in seeing that this result is brought about. As an economic matter, each life is estimated to be worth to the nation \$11,000 and we cannot afford to waste any part of this most valuable national asset. As a human matter we cannot as a Christian people, supposedly representing the highest intelligence and civilization, allow our people to neglect the simple things which would save them if fully understood.

"The work which Mr. Camp has undertaken is a movement of such nationwide importance and so manifestly needed that its mere presentation will commend it to every thoughtful American."

"Thoroughly Agree." Some of the endorsements of the Security League idea in organizing this nationwide campaign for physical regeneration read:

Mayor Connell of Scranton, Pa., "I thoroughly agree with you as to taking care of our young men physically and morally, and I am pleased to co-operate with you."

Mayor Rasmussen of Fairport Harbor, O., "Anything that will promote the welfare and manhood of our young men throughout these United States has my full sympathy."

Mayor Hines of Pinckneyville, Ill., "I am very much in favor of this movement."

Mayor Hickman of Altus, Okla., "I assure you that I look upon the number of young men rejected in the draft for physical disability with grave concern, and it is gratifying to me to know that steps are being taken to remedy this condition of affairs."

Mayor Bardine of Juniata, Pa., "We are ready to work hand in hand with any object that is for the upbuilding of our town and will make it a better place in which to live."

Mayor Barron, Eau Claire, Wis., "I am very much interested in the successful operation of your plan."

TRUSTEE'S SALE OF VALUABLE REAL ESTATE

Under and by virtue of the power and authority vested in the undersigned trustee by that certain deed of trust executed by Dr. K. A. Price and Ressye Price, his wife, to the First Building and Loan Association, dated November 30th, 1912, and recorded in the office of the Register of Deeds for Catawba county in Book 96, on page 575, to which reference is hereby made, default having been made in complying with the terms and stipulations therein contained, I will sell at public auction for cash, in front of the First National Bank of Hickory, in the City of Hickory, at 12 o'clock noon, on Saturday, the 18th day of May, 1918, the following described tract of land to-wit:

Situated near the center of the City of Hickory on the North side of Eleventh avenue, adjoining the Baptist parsonage, property of Dr. J. H. Moore and others. Beginning at a stake in the northern margin of said avenue, which was formerly Atwood street, at the South-east corner of the old Clinard lot, which is now the Baptist parsonage property, and runs North with the old Clinard line 200 feet to a stake; thence East 100 feet to the old Samuel Tate line, which is now the property of J. H. Moore; thence South with said line 200 feet to Eleventh avenue; thence west with the northern margin of said avenue 100 feet to the beginning. Being what is commonly known as the old Presbyterian manse property.

This the 16th day of April, 1918. GEO. R. WOOTEN, Trustee.

B. B. Blackwelder, Attorney. 4 17 41 Wed

CALOMEL ROBBED OF NAUSEA AND DANGER

Medical Virtues Retained and Improved—Unpleasant and Dangerous Qualities Removed—New Variety Called "Calotabs."

The latest triumph of medical science is a purified calomel, known as "Calotabs." The old-style calomel, as all doctors know, was the best and most generally useful of all medicines. The new variety known as Calotabs, is purified and refined from all objectionable qualities, and is most effective in effect.

One Calotab on the tongue at bedtime, a swallow of water—that's all. No taste, no griping, no nausea, no danger. Next morning you wake up feeling fine, with a clean liver, a purified system and a hearty appetite for breakfast. Eat what you please. There is no restriction or habit or diet. Calotabs are sold only in original, sealed packages; price thirty-five cents. Your druggist recommends Calotabs and will refund your money if you are not delighted with them. Adv.

In Honor of Grand Chancellor Byron Clark. Refreshments

KISSELKAR

Hundred Point Six

Its Vital Parts Are Built On Anti-Repair Lines

THE Kissel engineers specified steel side rails of high carbon contents in the Kissel frame, and Chrome Vanadium steel in the springs

To make the Kissel driving shaft absolutely dependable, a special heat-treated steel forging is used, with nickel steel gears and pinion.

This Kissel quality in all the vital under-the-surface parts, keeps the Kissel Kar a stranger to repair men

The ALL-YEAR Car

The sturdy construction of the All-Year Top is that of a permanently closed car. The only difference is—it is built-in, not on, and entirely removable for summer touring.

The Kissel policy of "Quality First" is back of every one of its Hundred Quality Features. By placing your order now, you are sure of getting your Kissel Kar at an early date.
